Lodging and Transportation

For programs held at the MVI Executive Retreat & Conference Center, attendees normally stay at the Mountain Lodge or Mountain Inn & Suites off I-26 Exit 53.

These accommodations are especially prepared for MVI guests and are located near the center. The Mountain Lodge is a bit more up-scale than the Inn. Special rates are given when you mention that you are with MVI. Both places are located next to each other.

Mountain Lodge: (828) 693-9910 – 42 McMurry Road, Flat Rock NC 28731

Mountain Inn & Suites: (828) 692-7772 – 755 Upward Road, Flat Rock 28731

We have two airports in our area. They are:

- Asheville Regional Airport (AVL); Asheville, NC (20 minutes)
- Greenville/Spartanburg Airport (GSP); Greenville, SC (50 minutes)

A rental car is necessary due to the distances from either airport to the hotel and from the hotel to the conference center.

What to wear? What to bring?

Wear comfortable clothes!

- This is about knowledge and not fashion! Wear comfortable LAYERED clothes since it is difficult to make the room temperature right for everyone. We want you to be in a great state of mind and relaxed.

Bring a calculator.

Bring a laptop.

- If you have a laptop computer, you might want to bring it too. As certain tools are discussed, you can access them. Having a laptop is nice, but it is not necessary...but in the modern world why not? You might also consider bringing the management statements you actually use to manage your hospice. You may want to reference them or discuss them.

Bring an energized and enthusiastic spirit!

- This is a rewarding adventure. You will learn a great deal from this experience!

Recognition

Participants that successfully complete the program will receive an MVI certificate, which will be mailed after the program. Completion of the program is cause for celebration!

Worried about passing?

Everyone will be given the OPPORTUNITY to pass.

This course has real expectations and high standards. The difficulty will be relative to the person. If a person fails the first time through the program, the individual will be allowed to participate again at a reduced rate of \$500. The goal is that everyone successfully completes the program.

Repeating the program periodically is encouraged, as these programs are updated every year with new information and discoveries. On top of that, repeat attendees don't have to retake the test!

Program Registration and Cancellation Policy
